SUBJECT: Acknowledgement of Asian and Pacific Affairs Subcommittee Request for Briefing

NOTES

I've been in contact with Bill Barnds, Staff Director of the Subcommittee, about their request for this briefing on Japan. In the past and in this call, a formal written acknowledgement is not required by the Committee once we are in contact with the staff. For that reason, I suggest that we need not acknowledge. I checked with [] and he concurs.

Bob,
I believe [] considers this a special case and will want an acknowledgment even tho its not entirely necessary —
